

Research Associate Position Available

Principal Investigator (PI): Prof. Dr. Rizwan M. Gul

Co-Principal Investigator (Co-PI): Dr. Muhammad Ali Kamran

We are seeking motivated candidates for a research project funded by HEC-NRPU on “Development and Characterization of Modified Ultra-high Molecular Weight Polyethylene for Use in Total Joint Replacement”. Monthly stipend will be provided to the selected students during the contract period. Preference will be given to enrolled MS/PhD (Mechanical/Materials Engineering) students.

Interested candidates should submit their CVs at mohsin.hayat@uetpeshawar.edu.pk and rgul@uetpeshawar.edu.pk latest by Friday, 9th May, 2025.
